HENRY PLOOD & CO.

Ul'PICE: No. 15 Quincy Street.

SATURDAY, MARCH 15, 1873.

INDEPENDENT JOURNALISM .- In a rather vain-glorious article about itself the

who robbed the government of filty or sixty millions of dollars by taking bribes ing which time he was a member of the close, have been a decided success. It is now of votes in Congress, which enabled the His record of the last four years as Secrethieves to steal the munificent subsidies voted to the Pacific Railroad. Nor have tor will expire March 4, 1877. we had the pleasure of noticing any such denunciation of the "thieves" in the 42nd Congress who only a fortnight ago plun- misapprehension by compositor and proofdered the Treasury of a million and a half reader a paragraph in Mr. Lyda's Conof dollars by voting themselves an extra ference report in yesterday's issue read as \$5,000 each for services already rendered. follows: \$5,000 each for services already rendered. Nor have we had the pleasure of seeing the columns of the Journal its fearless editor's opinion as to the expediency of the increase of aslaries, which was carried through that plundering Congress at the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress at the last moment by the increase of salaries, which was carried through that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the last moment by the aid of that plundering Congress the list of the mental gloom and despondency in the mental gloom and despondency in the mental gloom and desp \$5 000 bribe tendered to each member. Nor have we had the pleasure of observing that the Journal has expressed itself concerning the degree of cultability that Mr. Lyda we subjoin the following as the Elliott and J. & N. M. Mercer, Bellair, O. febis-codaw attaches to the President by whose ap- correct reading : proval and influence this measure was proposed and carried through, and whose official signature gave it consummation and put \$100,000 in his own pocket. While the Journal is busy "throttling thieves" at Charleston, we humbly suggest that it may find another extensive field for one. may find another extensive field for oper-

Usury and Interests. It is appropriate that with the return of iclams of the Legislature are prompted

ations at Washington.

Bourbonism to power in this State an st. by irritation because the Capital was not tempt should be made to re-enact the usury laws. Accordingly we find the Legislature is considering a bill to re-establish the old law of Virginia, by establish the business of our people was ing would rather see the Legislature sitlong oppressed, providing that the taking ting about this time is, at their several of interest over six per cent forfeits both homes, each under his own vine and fig interest and principal. It is only to those who take the narrowest views of cause and effect in political economy that the futility and mischief of such enactments Globe recently attended one of the recepare not apparent. They not only fail to tions of Mrs. Southworth, the novelist, at compel capitalists to lend money at six her residence near Washington, and has per cent, when it is worth more in the been impolite enough to describe her in per cent, when it is worth more after business market, but by embarrassing the trade in money they really increase the interest which the borrower finds himself three lace, square, small shawl or handobliged by the natural condition of the kerchief, over cherry satin. Mrs. South-money market to pay. The operation of worth is about five feet two inches in money market to pay. The operation of usury laws we have never seen more height, rather broad and square in form height, rather broad and square in form. The top of her head is square and massive in shape, and a full view of her face philospher, who writes after the most exhaustive research into the history of such legislation in all the countries of Europe and into the logical causes which render such legislation nugatory. We quote from the introductory volume of his Hissake her how man's books she had will. such legislation nugatory. We quote from the introductory volume of his History of English Civilization. He has been showing in the most elaborate and conclusive way the vast and continual mischief done to intellectual and material progress by the interference of government upon by the interference of government upon the illusive idea that it was promoting that her income was six thousand a year. such progress, when all that was needed was to let the people entirely alone in their enterprises, material, moral and intellectual, to develop in their own way, in obedience to the natural causes that are always at work. He shows that development can only take place in obedience to those causes, and that all interference by Government, however well meant, will only result in embarrassing and retarding what it is intended to promote. The kermel of his philosophy is indeed embodied in the maxim that "the world is governed too much." And here are the remarks too much." And here are the remarks too much."

**Record of Tuesday remarks:

"In case Mr. Boutwell, is successful in Bis Senatorial aspiration the two prominent persons spoken of to succeed him and the too serve the supposed to be inflationists. It is not to supposed that the secretary would to make of the world is governed too much." And here are the remarks too much."

**Tuesday remarks:

"In case Mr. Boutwell, is successful in Bis Senatorial aspiration the two prominent persons spoken of to succeed him and the desired and the inevitably fatal mallay developed.

In most Consemplify case the first symptoms are those of Yulmon's You're are of these first allowed to run on to a spoken of the supposed that the secretary would to suppose the supposed that the secretary would to suppose the supposed that the secretary would to suppose the supposed that the secretary would be supposed that the secretary would be supposed that the secretary would to suppose the supposed that the secretary would be supposed that the secretary would the supposed that the secretary would be supposed that the secretary would be supposed that the secretary would the supposed that the secretary would be supposed that the secretary would the supposed that the secretary would be supposed that the secretary would be supposed that the secretary would the supposed that the secretary would the supposed that the secretary would be supposed that the secretary would be supposed to suppose the supposed that the secretary would be supposed that the secretary would be

and the invariable effect has been to in-crease usury and raise the interest of money. For, since no prohibition, how-ever stringent, can destroy the national relation between demand and supply, it has followed that when some men want has followed that when some men want to borrow and other men want to lend, both parties are sure to find some means of evading a law which interferes with their mutual rights. If the two parties were left to adjust their own bargain un-Miss Mary Appleate, daughter of Lewis Applegate Esq., of this county died on Tuesday.—Wellsburg Herald. disturbed, the usury would depend on the circumstances of the loan, such as the circumstances of the loan, such as the amount of security and the chance of repayment. But this natural arrangement has been compileated by the interference of government. A certain rask being always incurred by those who disobey the law, the usurer, very properly, refuses to lend his money unless he is also compensated for the danger he is in from the contraction of the the front hair is known as the Skye terries always incurred by those who disobey the law, the usurer, very properly, refuses to lend his money unless he is also compensated for the danger he is in from the penalty hanging over him. This compensation can only be made by the borrower, who is thus obliged to pay what in reality is a double interest; one interest for the natural risk on the loan, Reality is a double interest; one interest for the natural risk on the loan, Reality is a foulble interest; one interest for the natural risk on the loan, Reality is a found in the law of compensation can only be made by the borrower, who is thus obliged to pay what in reality is a double interest; one interest for the natural risk on the loan, and another interest from the extra risk from the law. Such is the position in which every European legislature has placed itself. By enactments against the such that increased what it wished to Funeral from his late residence on Quines street to-morrow afternoon at 2 o'clock Priend of the family are respectfully invited to attend DUNNING —On Friday evening, March 14 1873, at 5% evices, Mrs. Sakah Lee Dunning in the 78% evices, ther age usury, it has increased what it wished to The tuneral will take place from the re-idence destroy: it has passed laws which the imperative necessities of men compet them of her son, James A. Dunning, Clay street, be violate: while, to wind up the Tween 5th and 6th on Shaday afternoon at t to violate; Walle, to wind up the whole, the penalty for such a violation falls on the borrowers; that is, on the very class in whose favor the legislators interfered." ociock. Friends of the family are invited.

can be made on the 2d day of January 1872.

To prevent any confusion, proper officers will be in attendance, and no fear need be entertained by interested parties of any disagreeable consequences circaccount of the reals. Only a limited number can be admitted at a time—the doors opening inward; the precaution boing deemed necessary on account of the experience of the past year by fire.

CHAS. H. BERRY. FIRST MORTGAGE SEVEN PER

Buffalo Valley Railroad of Pa. A Branch of the Pittsburgh, Washington & Bal-limore Railroad, extending from Garret to Ber-lin, only eight miles long. Interest psyable emi-tonually at Western Dational Bank, Balti-

semi-unually at Western Sational Bank, Baltimore.

The Gradquation, Bridging, &c., completed.
Cross ties delivered ready for superstructure.
Nothing wanted to complete it but the laying of
the rails, which can be done in thirty days.

The road up to present date is out of debt,
Whole issae of Bonds Eighty Thousand Dollars.
It less well known fact that Short Line Roads
pay the best, and this Line has the additional
advantage that it connects with one of the leading Trunk Lines leading to Pittburah, and besides, it passes through one of the most productive, beautini and ferlie Mineral Valleys of
Pennsylvania, abounding in Timber. Coal, Iron
Ore and very superior Fire Clay, the Freights on
which alone, without the passenger travel, must
produce a large revenue. roduce a large revenue. For Sale at 85 and Acqued Interest, by JOHN B TRULL.
